

our small and ever  
changing wine list is  
influenced by the  
season

reds take the spotlight  
when it's chilly, while  
whites shine in the  
summertime

sourced from all  
different parts of the  
world.

## by the glass

## raki

Raki, often referred to as "Lion's Milk," a clear brandy made of distilled grapes, flavoured with aniseed that has been enjoyed for centuries throughout Europe, the Middle East and Asia. Acting as a symbol of social bonding, its origins can be traced back to the Ottoman Empire, where it was initially known as "Lakırdı" before evolving into the Raki we know.

single 14  
double 17  
yeni 35cl 70  
tekirdag 35cl 70  
yeni 70cl 110  
tekirdag 70cl 110  
tekirdag gold 70cl 140  
no.10 70cl 150  
göbek 70cl 180

It's best paired with salgam, a spicy turnip juice, fruit and cheese.
